PRIMO STUDIO

02 / INSURANCE + HEALTHCARE

Scaled monthly reporting across 50+ employer groups

PROJECT SNAPSHOT

Built a reporting platform, executive dashboards, forecasting models, and more than 30 reporting packages supporting approximately 30,000–40,000 covered lives and over $300 million in annual claims.

OUTCOME

reduced monthly preparation from roughly four hours per client to 0–30 minutes, returning significant capacity to service and strategy teams.

Selected experience of Dominic Gassman, Founder & Principal Consultant.

Have a process that should work better?
