PRIMO STUDIO

03 / CLIENT CONSULTING

Bridged executive relationships and technical delivery

PROJECT SNAPSHOT

Managed more than $1 million in recurring client revenue and up to 20 concurrent engagements for a 15-person consulting firm, serving as an executive contact, strategist, analyst, project leader, and technical contributor.

OUTCOME

faster translation from business need to technical execution, without the handoff gaps common in larger teams.

Selected experience of Dominic Gassman, Founder & Principal Consultant.

Have a process that should work better?
